

Making your sorroundings Satanic

From Satanism Wiki

An easy yet effective way to awaken your immediate environment.

The way this will be done is establishing a **link** with Satan's energy to your **serpent** and having it releasing this energy in your neighborhood or city. This will do several things among **making people aware of the current reality**.

Instructions

- Go in to a trance and connect with your serpent. Come to an agreement with it to so you can use it to project Satan's energy.
- Breathe Satan's energy into you and into your serpent. Visualize your serpent getting charged up with Satan's energy. Do this for a few minutes.
- When you are satisfied with the amount of energy you have raised, you are ready to release this energy in to your area.
- Visualize yourself lighting up a few square miles of where you live; in your visualization make sure to include everything covered in Satanic blue energy.
- When you are done, clean your aura.
